## FEATURES

### 37 BUILT IN RECIPES

The Anniversary range of Genesi & Ascot feature an easy use TFT control panel, with full colour pictures of 37 built-in recipes such as Roast Chicken, Paper bag fish, Breads, Roast Veal, apple pie, pizza and even donuts!

### BRASS BURNERS

The STEEL brass burners rings are made completely of brass, the burner caps are coated in of VERY high-quality enamel. The STEEL burners boast a 60% efficiency, compared to the industry standard of 50%. STEEL brass burners have a lifetime warranty.

### COLOUR TFT CONTROLS

Easy to use large screen with clear large text. Easy to programme. Controlled by the knobs on the front so the screen always stays clear.

### PATENTED INNVENT TWIN FAN SYSTEM

The new anniversary range features a STEEL patented twin fan system. This system has two counter rotating fans that draw air in behind the rear oven panel and distribute it back into the oven using a perimetrical air flow for the ultimate in even cooking.

### COMBI STEAM

Make every dish just a tad more delicious: the steam generator allows for a constant, 100% steam saturation of the entire oven space, which secures that natural textures, colours and flavours of the food are retained together with more nutrients and vitamins.

### DYNAMIC OVEN LIGHTING

3 internal oven lamps strategically located to give clear and crisp internal lighting. Easy to check the progress during cooking without opening the door.

### COMMERCIAL STYLE OVEN FITTINGS

Anniversary range cookers feature the new heavy duty commercial grade trays, liners and telescopic racks that will never bow or twist even when using cast iron pans and trays. Made from easy to clean, high grade, 6mm thick 304 grade stainless steel.

### HAND CRAFTED IN ITALY

Today, Steel does not only produce a wide range of steel cooking appliances with high-end functionalities: Steel designs ideas and realises solutions. Steel is the result of a hundred years of passion and experience in the industry, handed down from father to son for four generations.
