

GP11F-4: Genesi 110cm

Flush Mount 4 Gas Burner Hob

Introducing the Steel 4 gas burner cooktop providing a high quality cooking experience with features such as an ergonomic layout, flame failure and cast iron trivets. The thin design is specifically intended for narrow bench tops, helping to reduce overall bench space.

Features and Benefits:

Warranty	3 Years
Ergonomic Layout	The design of this hob makes it easy to use; with a Wok burner, this cook top allows a vast amount of different cooking styles.
4 Knob Controls	Making it easier and more accurate to control the flame.
Flame Failure	Stops the flow of gas if the flame is extinguished during the cooking process.
Cast Iron Trivets	Long lasting and easy to clean, the trivets and burners can be hand washed or put in the dishwasher.
MADE IN ITALY	Units are designed specifically for the Australian market and manufactured in Italy by dedicated boutique specialist manufacturer.
