## Features and Benefits:

Warranty	3 Years
Combi-Steam Cooking	Steel offers the only upright cooker on the Australian retail market with combi-steam technology and brass burners. Combi-Steam functionality provides an improved cooking experience by stopping food from drying out, helping to preserve nutrients and vitamins while delivering an improved taste.
Multi-Function (main oven)	Top and bottom element, static steam, top element, steam with fan assist, fan forced, grill with fan, grill (no fan), defrost and rapid heat.
Multi-Function (second oven)	Top and bottom element, bottom element, top element, Grill (no fan), light
Efficient Cooktop System	Instead of using a flame or a heating element, induction cooktop directly heats cooking pot, causing very rapid increases in temperature.
Push pull storage system	Under the main cavity that can be used for storing items and warming plates.
Telescopic Rails	Ensures you can move trays easily in and out of the oven.
Minute Minder	Allows you to set a timer as well as a finish time for your cooking
Easy-clean steam-safe enamel	The new high grade flexible enamel is designed to withstand exposure to steam over long periods of time, making the Steel oven strong, durable and easy to clean.
Cool-Touch Door	Thick triple glazed commercial grade glass oven door keeping the door cool to touch
Extra Height Kit Available	50mm plinth kit adjusts from 920mm - 970mm overall height
Gas Type	N/A
MADE IN ITALY	Units are designed specifically for the Australian market and constructed in Italy by boutique specialist manufacturer.
