

A9SE-5FI: Ascot 90cm Combi-Steam Enamelled Upright Cooker

with 5 Induction Zones with Flexi-zone

110lt Gross Capacity (91lt)
Combi-Steam

Standard Colours: stainless steel, anthracite, white,
Boutique Colours: crema, bordeaux, celeste, black, nuvola
(available at additional \$300)

Features and Benefits:

Warranty	3 Years
Combi-Steam Cooking	High performance, healthy cooking, time and energy saving; Steel's Combi-Steam cooking doesn't alternate from steam to heat but rather a continuation of both at all times, giving you the ultimate roasting results (crunchy on the outside and moist on the inside) with all the vitamins and minerals retained in your food as opposed to dried out.
Multi-Function	Top and bottom element, static steam, top element, steam with fan assist, fan forced, grill with fan, grill (no fan), defrost and rapid heat
Steam Generator	Located at the base of the oven - allows for efficient and professional cooking in a 100% humidity controlled oven.
Push pull storage system	Under the main cavity that can be used for storing items and warming plates
Telescopic Rails	Ensures you can move trays easily in and out of the oven
Minute Minder	Allows you to set a timer as well as a finish time for your cooking
Easy-clean steam-safe enamel	The new high grade flexible enamel is designed to withstand exposure to steam over long periods of time, making the Steel oven strong, durable and easy to clean.
Cool-Touch Door	Thick triple glazed commercial grade glass oven door keeping the door cool to touch
Extra Height Kit Available	50mm plinth kit adjusts from 920mm - 970mm overall height
Gas Type	N/A
MADE IN ITALY	Units are designed specifically for the Australian market and constructed in Italy by boutique specialist manufacturer.
