

# Price List

Effective as of 1st February 2018

Steel is an Italian company with a long family heritage originating from Carpi, near Bologna. Founded in 1999, it is owned and run by the Po family, who are the third generation to be involved in the production of range cooking equipment.

Today Steel has come to the forefront of the manufacture of range cookers and hoods for the domestic market. Innovation and functionality are the byword for Steel's aesthetic designs and professional approach to engineering first class kitchen products.
