Featuring Combi-steam enamel.

Effective as of 15th June 2020

Handmade Italian craftsmanship since 1922.

Not only featuring all of your favourite functions,
Steel is the largest capacity combi-steamer on the Australian market.

Combi-steam cooking utilises the combination of regular oven cooking with the added use of steam.
This helps to preserve nutrients which leads to both healthier and tastier food while saving time and energy.
